Referrals

Through our partner referral database the Hotline helps connect callers to Human Trafficking service providers.

Through its extensive contacts database, the 1109 Hotline helps connect survivors of human trafficking with services, including case management, emergency shelter, legal services and counselling. The 1109 Hotline also assists organizations who serve victims by providing referrals to services and resources and helps to connect community members with volunteer opportunities.

Resources & Information

Call Specialists can answer your questions about human trafficking and can respond to requests for information about a diverse array of topics.

Professional Training

The 1109 Hotline provides training that seeks to build individual and practitioner expertise and strengthen local anti-trafficking infrastructure to improve the nationwide response to human trafficking.

Reporting Tips

The 1109 Hotline receives tips about potential situations of human trafficking and facilitates reporting to anti-human trafficking and organized crime departments, local law enforcement, and service providers throughout the country.
